This school year, it is important to remember a few simple rules to be healthy all together! With the help of everyone we can feel safe even at school!

The rules to follow are:

TAKE YOUR CHILD'S TEMPERATURE!

If my child has a temperature higher than 37.5 ° C and he had a fever, also in the last 3 days →

If my child has symptoms (fever, cough, cold)→

→The child **MUST NOT** come to school!

Parents must contact the doctor / pediatrician!

COMMUNICATE YOUR CORRECT PHONE NUMBERS TO THE SCHOOL

NOTIFY THE SCHOOL IF ANY OF THEM HAS CHANGED!

AND, PLEASE, ANSWER THE SCHOOL CALLS!

If a child gets sick at school, the school immediately contacts the parents to pick him up.

If the parents are not available, the school calls the hospital.

AT SCHOOL:

Keep the social distance of at least 1m from others

Wash your hands often or disinfect them

Cover your mouth and nose in case you need to sneeze

Do not touch your eyes, mouth and nose

THE FACE MASK MUST BE WORN AT SCHOOL

IF I NEED TO COME TO SCHOOL TO TALK WITH THE TEACHERS?

Parents can **ONLY** come to school on appointment!

And, only one person at a time!
